

BusQuest Mobile App - Parent Guide

Parents can now track their students' bus with the new app, BusQuest, available on the Apple App Store or Google Play! Follow these instructions to get started!

 	<h3>Step 1</h3> <p>Download the BusQuest App from the Apple App Store or Google Play Store</p> <p><i>*Note that if you are using an Android please use link above. If you do search BusQuest, you will need to select "Search instead for BusQuest"</i></p>
	<h3>Step 2</h3> <p>Launch the BusQuest App and tap on "Create Parent Account"</p> <p><i>*Note if you already registered for an account using the transportation portal, EZrouting, select sign in and enter your login information, skip to Step 10.</i></p>
	<h3>Step 3</h3> <p>Begin to type Crookston School into the search bar, and then tap Crookston Public School District, MN to select it. Click "Next" in the upper right.</p>
	<h3>Step 4</h3> <p>Create a user name, and tap Verify. At this time, we recommend using an email address rather than a phone number.</p> <p><i>*Note that it will be easiest if you use the same email that you listed for Guardian 1 when registering your child.</i></p>

Step 5

Enter your relationship to the child(ren) that you're adding, your first and last name, and a password. Tap Register

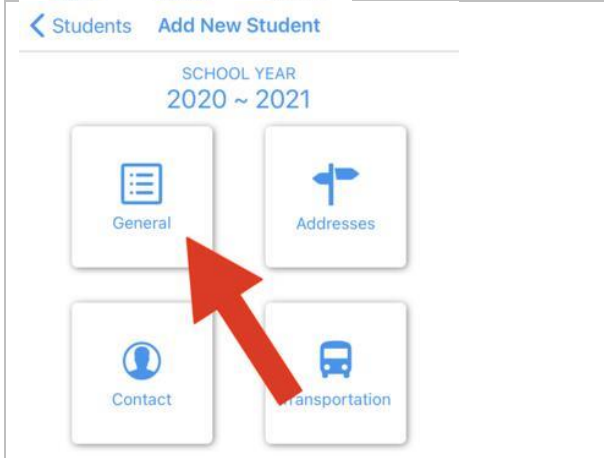

At this time, you may be logged out of the system. Simply enter your new user ID and password to log in.

Step 6

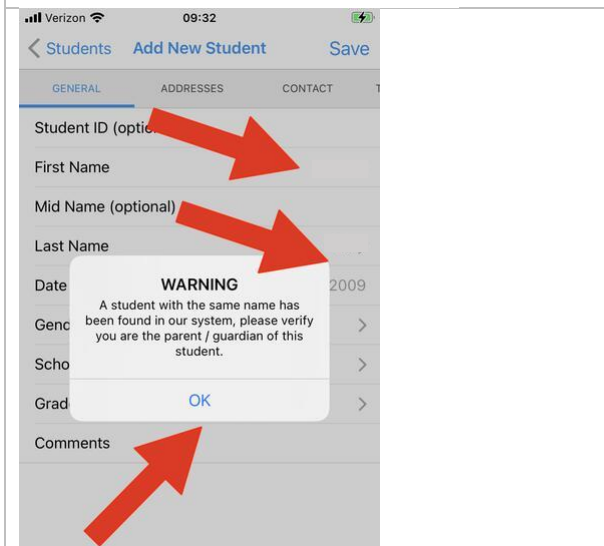

If you already see your student(s) listed, skip to Step 10.

If you do not see students listed, tap the add student button in the upper right-hand corner.

Step 7

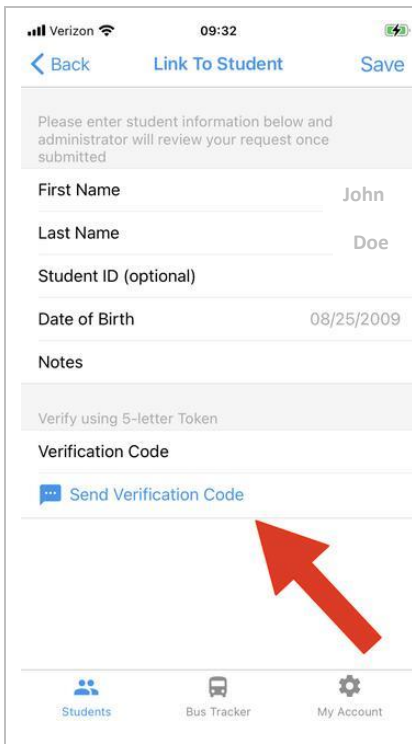

Tap the "General" tile to enter information for your first student.

Step 8

Enter your child's first and last name as they appear on our school records, and date of birth.

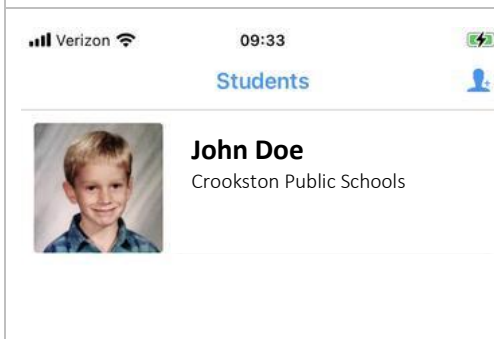

After selecting a birthdate, you should get a message on screen that a student matches in our system. Tap OK to be taken to the verification screen.

Step 9

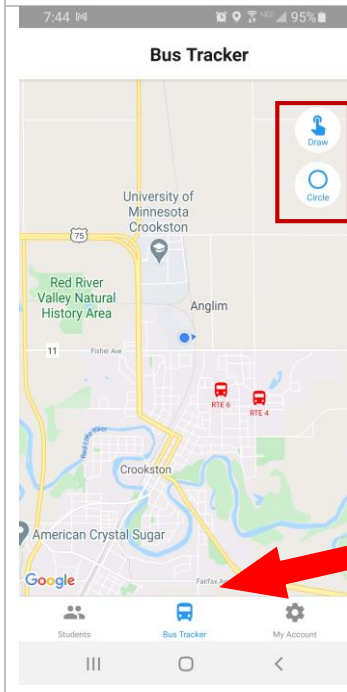

Tap on Send Verification Code to have a five-digit code sent to the primary guardian email address already on file in our system. When you have retrieved that code, enter it in the Verification Code Field and tap Save in the upper right.

If you do not have access to the primary guardian's email, tap save in the upper right corner to be placed into our manual verification queue and our office staff will confirm that you are an authorized parent on file.

Step 10

In the students list, tap on the thumbnail/name of the child you wish to view, then tap on the Bus Schedules tile to view current transportation information.

Step 11

At the bottom of this screen tap where it says "Bus Tracker." This is where you will be able to set how close you want the bus to be when it notifies you of its location

You can select "**Circle**" and set the distance of the circle in miles.

Or you can select "**Draw**" and draw a polygon around your residence.
